through a career with us

Make your *Mark*

At DSTA, we thrive on developing the next breakthrough for the defence and security of Singapore.

Join our team of professionals and explore the exciting work in Procurement and Corporate departments.

Procurement

We procure state-of-the-art defence systems, goods and services for the national defence and security of Singapore. Through the use of data analytics, design innovation and technological solutions, we ensure a cost-effective and efficient approach to procurement.

Corporate Departments

Join our corporate departments which include Human Resource, Corporate Services, Corporate Planning, and Corporate Communications to drive initiatives that provide strategic vision, support and synergy to ensure DSTA's continued growth and relevance.

WHY JOIN US

A Purposeful Career

Embark on a meaningful career where we work towards strengthening Singapore's defence capabilities.

Multiple Career Opportunities

Enhance your work experience with ample opportunities to build technical depth and breadth to pursue multiple career pathways.

Expand Your Skill Sets

Broaden your expertise in multidisciplinary domains. We equip you with relevant skills and knowledge, and nurture the leader in you at every stage of your career.

Continuous Learning

Build your competencies with developmental programmes including Foundation and Milestone courses that prepare you to take on higher appointments. We are committed to provide holistic development by building your technical expertise and skill sets.

Talent Programmes

Broaden your perspectives and grow professionally through DSTA Talent Programmes on both management and specialist tracks. You can look forward to many purposefully curated exposure opportunities such as planned postings to take on challenging and varied appointments and assignments, attending business and leadership programmes in top universities, and networking opportunities with like-minded professionals.

Take Charge of Your Career Development

Chart your career development and aspirations, and achieve your unique career needs and goals with a Personalised Career Development Plan.

Work-life Balance

Look forward to a comprehensive package of pro-family and work-life balance benefits and programmes.

Join us to tackle the challenges of tomorrow and make an impact on the defence of the nation today.
