

Discover our LDC world

SINCE
1851

Mission

To use our know-how and global reach to bring the right product to the right location, at the right time.

Vision

To work towards a safe and sustainable future, contributing to the global effort of providing sustenance for a growing population.

Purpose

To create fair and sustainable value, for the benefit of current and future generations.

Empower our **people** | Grow with our **business stakeholders** and **local communities** | Protect the **environment**

Values

Humility

We are aware of our responsibility to foster long-term stability and growth.

Commitment

We share an uncompromising determination to achieve excellence in everything we undertake.

Diversity

We encourage respect for every individual, promoting diversity in every aspect of our business.

Entrepreneurship

We support and empower our people to take initiatives, create and innovate.

Our 170-Year History

Our long history and rich heritage stands us in good stead to tackle the constantly evolving environment we operate in.

2019

Partnerships with key feed, food & nutrition value chain players to diversify further downstream and pursue innovative, sustainable solutions to address consumer trends and feed a growing population.

2005

Completed 15-year expansion into originating commodities, through acquisition of assets.

2006

Robert Louis-Dreyfus restructures the business, creating LDC with autonomous subsidiaries for each activity.

1951

A truly global family business, with operations across the Americas, Europe, Africa and Asia.

2001

Portfolio significantly diversified to include grains, oilseeds, cotton, sugar, citrus, coffee, rice and metals.

1851

Léopold Louis-Dreyfus, aged 16, a farmer's son from Alsace, starts the company that will eventually become Louis Dreyfus Company.

As a global company, we wish to inspire respect for every individual, promoting diversity in every aspect of our business, and in all locations where we are present

- We recognize that the value diversity and inclusion adds to our business
- We encourage varied approaches to problem-solving; open and respectful communication between employees from diverse cultural and professional backgrounds
- We strive to build close ties and relationships with local communities where we are present

A **genuine respect for differences** and recognition of the **importance of inclusion** are already **part of LDC's DNA**

A World Leading Merchant

Present Across the Value Chain

We develop sustainable solutions to bring agricultural goods from where they are grown to our customers' doorstep. This involves a complex supply chain in which our people and partners play a vital role, ensuring a smooth journey for our products.

1 Originate & Produce

Sharing our expertise with farmers and producers worldwide, be it through partnerships or our origination network.

2 Process & Refine

Processing and refining the finest quality raw materials.

3 Store & Transport

Efficiently managing movements across the value chain.

4 Research & Merchandize

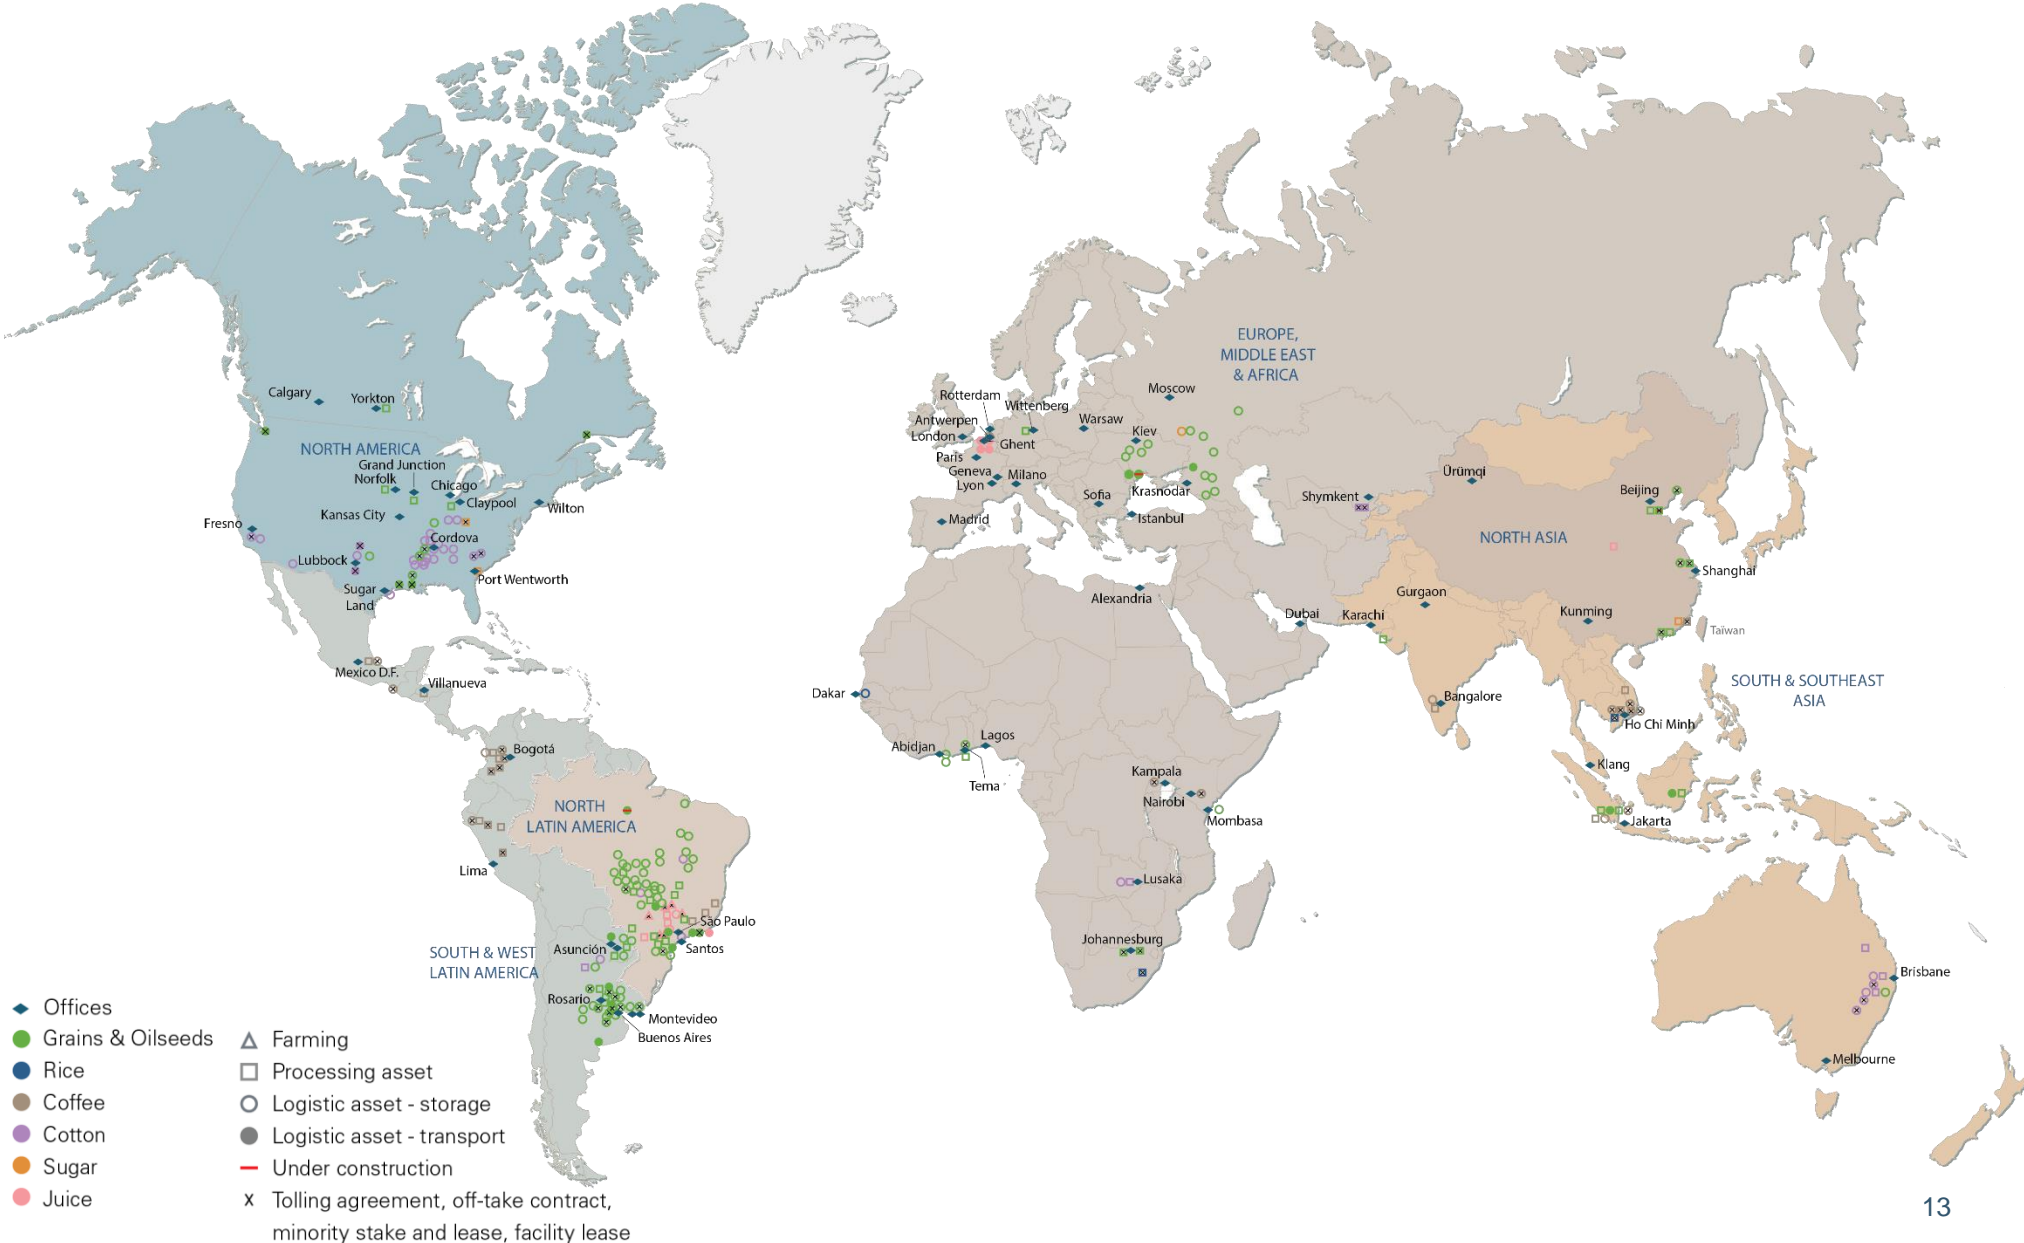

Relying on our market knowledge to ensure responsive supply across platforms and regions

5 Customize & Distribute

Supplying products to a range of customers, from multinationals to local customers and end consumers.

A Strategic Global Asset Network

Our Leadership Positions

- One of the world's largest **oilseeds** merchandizers
- A leading global operator in **wheat** and **barley**
- One of the world's largest raw **cotton** merchandizers
- A top 5 global **sugar** merchandizer
- A top 3 global **coffee** merchandizer
- One of the top **rice** merchandizers in the world
- Among the 3 largest **juice** suppliers worldwide

People

We protect and invest in our people, who are crucial to our business. The continuous enhancement of our Safety, Health and Environment Management System is a priority.

Partners

Recognizing that we can have a greater impact by working with others, we engage a broad range of stakeholders in our sustainability efforts, such as smallholders, global financial institutions and NGOs, either on a standalone basis or as part of multi-stakeholder initiatives.

Environment

We recognize that we have an important responsibility to reduce the environmental impact of our activities to sustain the world's growing population. We take up this responsibility not only by eliminating waste in the parts of the supply chain that we control, but also by monitoring our operations, identifying efficiencies and preserving biodiversity.

Community

We aim for mutually beneficial partnerships with the communities our businesses touch independently or by working in collaboration with the Louis Dreyfus Foundation.
