

ezbuy is a Singapore-based e-commerce website. We are the first ecommerce site to help customers shop across borders with a peace of mind by acting as an agent between our customers and overseas sellers. We strive towards service excellence by developing new services to better suit our customers and to expand our services into global markets.

## MARKET OPPORTUNITY

Of Singapore's e-commerce sales come from cross-border orders

**\$7.5 Billion**

Expected cross-border shopping's market size by 2025

**5th Largest Market**

In the world for cross-border shopping by sales volume

## OUR REGIONAL PRESENCE

**Over 3 Million Users**

**Over 100,000 Site Visits Per Day**

## OUR SERVICES

On top of local sellers, ezbuy's fast-growing marketplace features a wide variety of products from Korea, Taiwan, USA, as well as locally in Singapore. At the same time, our value-added services continues to cater to the various needs of our customers.

### Prime

Offers a flat shipping rate of \$2.99 at a subscription of \$9.99 per month.

### Buy for me

Helps customers purchase items from overseas merchants and handles all purchasing, inspection, and after-sales issues.

### Ship for me

Allows customers to send their overseas purchases to our warehouse and we will then provide international shipping at a lower rate to Singapore.

## OUR MILESTONES

to provide MRT and Neighborhood Collection Points across Singapore

**2nd Top Ranking**

app in the shopping category in 2017
