Headquartered in Sydney, our people are located in four operating regions: Australia, Asia, Europe and the Americas.

WE are a publicly listed company on the Australian Security Exchange (ASX). Our ASX code is LLC.

We create award winning urban precincts, living options for many staged of life, retail precincts, and workplaces to the highest sustainability standards.

Our people and our partners are the greatest contributors to our success.

Health and Safety

New York: 56 Leonard Street

Every day, tens of thousands of people around the world come to a Lendlease place to work. As our business grows, so do the number of workers in our care.

Everyone has the right to be safe: our people, and all who interact with us.

Our Global Minimum Requirements set out the minimum environment, health and safety standards designed to control risks associated with our operations.

We're building a culture of care so we can look out for ourselves and each other.

It's about people's physical safety and their mental wellbeing.
