TOGETHER WE ENGINEER BEYOND BOUNDARIES

Established in 2000 Sept 8, ATREX started off as a contracting company providing engineering services on fire protection service and system. Incorporated under the company act as a private limited company in 2003 May 16, ATREX ENGINEERING PTE LTD has extended a wider range of Design and Build, Mechanical & Electrical, Retrofitting and Re-instatement works for the industrial, commercial and residential sectors. Over the past 21 years, ATREX has become all-in-one service provider for many of our customers.

OUR PASSION DELIVERS VALUE

ATREX EXPERIENCE

Our competitive edge lies in our ability to provide a truly all-in-one M&E solutions. Over 21 years of deja vu in our core capability, ATREX has taken many challenges with passion and pride.

What's more, we stand by our customers 360 degree of service excellence; providing value engineering that our customers truly rated us with their smiles.

OUR PASSION DELIVERS VALUE

VALUE ENGINEERING

EQUIPPED WITH DIVERSITY

ATREX delivers a holistic experience to our customers; a specialized value engineering with the right talent, embracing humanity and integrated technology.

ATREX VISION

Your partner in the industry; providing value solutions that excel customers' satisfaction with a conscience of good business practice.
