

## Sugar at a Glance

LDC is a global leader in sugar merchandizing, operating in 14 countries. Our Sugar Platform originates raw and refined sugar from locations as diverse as Thailand, India, Australia, Europe, Brazil and South Africa.

Through our extensive network across destination markets, we are able to serve all major non-producing and importing countries, with particular strengths in North America, the Middle East, West Africa, the Black Sea region and Asia.

Thanks to our continued investment in production and trade flow research, we are able to supply customers reliably and promptly. This reliability has helped us consolidate our leading global position in recent years.

A strong sugar refining presence is represented by the *Imperial Sugar Company* in the US and the Fujian sugar refinery in China, which offer a diversified range of products for end-consumers and manufacturing purposes.
