

Jurong Port

THE NEXT GENERATION MULTIPURPOSE PORT

Jurong Port is a leading international multipurpose port operator that has served as Singapore's premier gateway for general and bulk cargo since 1965. By connecting the landward and seaward supply chains, we provide seamless, integrated solutions to complex logistics operations for various industries that include construction, energy and chemicals, offshore marine and maritime logistics.

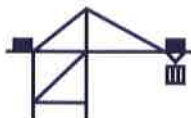

OUR CAPABILITIES

Cement Terminal

Steel Terminal

Volumetric Construction

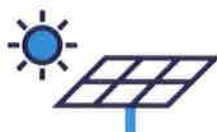

OUR SUSTAINABILITY & INNOVATION EFFORTS

An award winning Smart Gate for a single-touch experience. It integrates various technologies in an innovative approach to achieve single-touch experience for port users without compromising security.

Innovative training methods at the Jurong Port Academy. The academy trains and certifies professionals on the latest skillsets and technologies through classes and the use of simulators designed for our line of work.

Home to the world's largest port-based solar panel facility. With the power generated from this facility, Jurong Port will offset more than 60% of the port's electricity requirements and reduce 5,200 tonnes of CO2 emission annually.

First "green berths" in the world. The berths were lauded for the sustainable methods used in its construction. The Building and Construction Authority presented Jurong Port with the Green Mark Gold Award for our "green berths".

START YOUR **JURONG PORT** JOURNEY NOW

At Jurong Port, our employees are central to our success as a business.

Fostering learning and development is one of our priorities. Through structured programs that cover leadership, business, and technical expertise, we provide resources that can empower you to reach your professional goals.

We also believe in the importance of diversity and inclusion. By drawing upon the strengths of our employees of various nationalities and cultures, we can better grow in new markets and serve our diverse customer needs.

Here, you are more than an employee.
You are part of the Jurong Port family.
