

# BE A SPECIAL EDUCATION TEACHER

Special Education (SPED) schools provide a holistic education for students with moderate-to-severe special educational needs. If you have a passion in guiding these children and youth to achieve their potential in living, learning and working, choose to be a SPED teacher.

To become a SPED teacher, you can **apply directly to one of the SPED schools**. Applications are open all year-round.

- Visit <https://go.gov.sg/teachinginsped> to find more information about **teaching in SPED schools**

- Visit <https://go.gov.sg/spedschoolfinder> to explore a **list of SPED schools** based on school type, location, and what programmes they offer

- Visit <https://go.gov.sg/spedteacherdevt> to learn how you can **develop and grow** as a SPED teacher
