

# Vibrant Workplace Culture

We recently transformed our traditional office space into an open-concept, vibrant environment furnished with colourful décor, multiple TV-screens, recreation room, gym, well-stocked pantry and lounge area. With many employee engagements all year round, there is no lack of fun-filled activities to participate in.

## Ownership

We own what we do and we do what is right

## Passion

We show passion in our work and we thrive to delight our customers

## Excellence

We excel in our capabilities and we take pride in quality

## One Crimson

We are one together and we are one with customers

## Nurturing environment

We make people and talent our top priority. We believe in "Right People, Right Job". We actively support and engage our people and we believe in constantly creating opportunities for career growth and advancement for our employees. Our frameworks for learning and development support employees at different functions, skills and job levels.

## Adventurous Spirit

We have the largest number of offices worldwide among all the IT companies in Singapore. Our employees get to learn and work overseas, network and gain new experiences living in countries with different cultures, exhibiting an adventurous spirit in breaking new boundaries.

## Nurturing Environment

### Workshops and Trainings

Trainings develop competencies both in soft skills and technical skills

### Mentoring Opportunities
