RISE TO THE CHALLENGE

WHO WE ARE

JEL is a leading engineering and construction company based in Singapore, with a network of companies spanning across Asia, Africa, and the Middle East. Since inception in 1971, JEL has reliably delivered successful projects in power & industrial plants in more than 30 countries. With multifaceted project management capabilities and a strong diverse workforce, JEL provides a full range of services in engineering, procurement, construction and maintenance across the world.

With an outstanding track record, strong engineering expertise, and extensive range of experience, we partner customers to achieve success in new markets, challenges, and geographies.

MISSION & VISION

JEL Group's mission is to provide superior and comprehensive engineering solutions to customers worldwide.

Our vision is to be a recognised performance leader of engineering solutions. Our highly motivated, competent and industry-leading, safety-oriented professionals help inspire, provide solutions and consistently meet our customers' expectations.

CORE VALUES

DILIGENCE

We work hard with dedication and perseverance to achieve success and excellence.

SHARED OWNERSHIP

We strive to be proactive and act with accountability and integrity for the company's growth and success.

RESPECT

We treat one another with respect and dignity, fostering a harmonious and cohesive environment that promotes well-being and happiness for all.

CONTINUOUS LEARNING

We constantly improve our knowledge and skills to stay ahead of competition in the changing global market.

CUSTOMER SATISFACTION

We promise quality and on-time delivery, without compromise on safety, forging customers' trust to win repeat business and new customers.

CORE EXPERTISE

EPC | Full Turnkey / BOP Supply for Small & Medium Power Plant (Simple / Combined Cycle, Cogen, Coal Fired, Geothermal, Biomass) Projects

CONSTRUCTION | Civil, M&E for Power Plant and Non-Power Plant (Petrochemical, Refinery, Steel, Cement, Waste to Energy, Desalination, etc) Projects

MAINTENANCE | Civil, M&E for Power Plant and Non-Power Plant (Petrochemical, Refinery, Steel, Cement, Waste to Energy, Desalination, etc) Projects

GLOBAL PRESENCE

ASIA | Bangladesh
Brunei
India
Indonesia
Japan
Malaysia
Myanmar
Philippines
Taiwan
Thailand
Vietnam

MIDDLE EAST | Bahrain
Iraq
Kuwait
Oman
UAE

AFRICA | Algeria
Mozambique
South Africa
