Your Dreams, Our Challenge

Why join AGC

Joining AGC is your chance to be part of an inclusive, international business focused on excellence and innovation. More than this, it is your opportunity to help us change the world through unique materials technologies. The roles and challenges on offer will enrich your abilities within a collaborative, inclusive culture. Our commitment to integrity drives us to inspire progress by doing the right thing. This is where you can make your career an everyday essential part of the world.

Pursue excellence with a world leader

Continuous learning is a standout feature of being in AGC. With us, you never stop developing through the challenges of your daily work. Learning and development is our focus - we endorse many internal training programmes and external courses for the benefit of our people. Minds are sharpened at AGC every day. Insights and information are exchanged between our research networking groups every minute. We evolve our people through internal mobility and promotions.

Nikhil Mishra, India

**AGC Inc., Product Development
Researcher, Polyurethane Development
Office (Kashima, Japan)**

"Joining AGC Inc. was a great opportunity as it has offered me growth opportunities by recognizing the best of my abilities. I'm glad to work in such a challenging and positive work environment where the focus is on efficiency and continuous improvement."

Neo Wei Hang, Singapore

**AGC Inc., Global IT Strategy Office,
Information Systems Division (Tokyo, Japan)**

"AGC ensures that its employees voices are heard regardless of their seniority. By encouraging open communication, I was able to learn effectively as a fresh hire. Helpful and sincere colleagues also ensured that I assimilated well in a foreign environment since this was my first job overseas."

Ng Xian Wei, Singapore

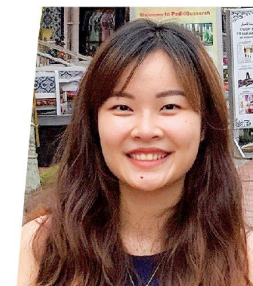

**AGC Inc., Process Engineer, Production
(Chlorochemicals) Division (Chiba, Japan)**

"I chose AGC because of its willingness to invest in its employees, as well as the unique working experience here. While it is challenging to work overseas, it also brings me immense happiness working in an inclusive environment that embraces challenges! 'Never take the easy way out, but confront difficulties.' This spirit truly exudes throughout the company - one can expect immense growth here."

Lee Zhen Yi, Singapore

**AGC Asia Pacific Pte Ltd, HR & Administration
Division, Regional HR Division (Singapore)**

"The company is not reserved in challenging its employees, even new ones, as it leads to professional and personal growth. It is easy to say that I am happy working in AGC."
