

Central
Provident
Fund Board

Building
Assurance,
Securing Our
Future

A photograph of an elderly couple sitting closely together and smiling. The man, on the right, has white hair, a mustache, and wears glasses and a blue polo shirt. The woman, on the left, has white hair, wears glasses, a green sari with a red border, and a bindi. They are both looking towards the camera. In the background, a bookshelf with several books is visible.

For millions of people, we provide confidence for their future

The Central Provident Fund (CPF) Board helps 4 million members save for their retirement, healthcare and housing needs. As the trustee of the nation's retirement savings, we serve CPF members knowing that we make a difference.

Do great work

And grow with us

When you join the CPF team, you become a CPF Ambassador.

A CPF Ambassador plays a vital role in shaping CPF policies through knowing our members well. He/ She is always motivated to enhance our schemes, services and processes to deliver on the trust that millions of members have placed on us.

The CPFB Academy

To equip you for the challenge, the Board invests heavily in training our CPF Ambassadors, and the schools within the CPF Board Academy impart CPF domain knowledge so that our Ambassadors are constantly learning and growing.

Leadership Development

We believe that effective organisations need good leaders. As such, we have leadership development programmes to develop our leaders and enable them to lead teams effectively.

CPF Ambassador Benefits

- Comprehensive rewards package
- Annual leave and pro-family leave programmes
- Medical and dental benefits
- Insurance coverage
- Access to a wide array of recreational and sporting activities

Join a great team

A place to be the best of yourself

Policy and Corporate Management

Our policy, statistics and research teams design policies based on strong data-driven research and business intelligence. The Corporate teams provide professional expertise in Communications, Strategic Planning, Audit, Legal, Risk Management, Finance and Human Capital Management.

CPF Schemes Management

Our Schemes Management team oversees the CPF accounts of all our members, providing effective services for members to access savings for approved uses to meet their retirement, healthcare, housing and other needs.

Infocomm Technology

Our IT team is the backbone of our operations, providing secure and innovative technology solutions to serve our members.

Customer Service

Our Customer Service team provides personalised services to our members to help them make informed choices to optimise their CPF savings.

Agency Services

We work with other government agencies to implement and administer national schemes such as the GST Voucher, Workfare Income Supplement and Silver Support Scheme to benefit citizens.

Enforcement

We work with employers to ensure our CPF members receive accurate and timely CPF contributions.

**Management Associate
Programme**

CPF Management Associate Programme (MAP)

At CPF Board, our work enriches the lives of our members and helps them meet their retirement, healthcare, and home ownership needs. The CPF Management Associate Programme (MAP) offers you a head start in this meaningful career, equipping you with opportunities to interact with senior management and accelerated growth through structured rotations, mentorship, and leadership programmes.

Apply today!

What you do secures the future for 4 million people

The 2-year MAP entails:

Induction

Designed to provide insights into the diverse functions within the Board through interactive sessions and attachments.

Rotations

Exposure across Policy, Schemes or Corporate functions to develop competencies and cultivate thinking from different perspectives.

Mentorship and leadership programmes

Benefit from exposure and coaching from management and development courses.

Remuneration

Attractive monetary incentive upon successful admission into the programme.

Assessment

Shortlisted applicants will undergo psychometric assessments and panel interviews.

Eligibility

We welcome applications from graduating Singaporean and SPR students and those with less than three years of working experience. Applicants from all disciplines are welcomed.
