*Touch Lives
Make a Difference*

*Our Work
@MSF*

SOCIAL SUPPORT

Develop, review and implement national policies to support vulnerable groups, build an inclusive society and strengthen the people sector.

FAMILY FORMATION & STABILITY

Strengthen and create a conducive environment for family formation through policies and programmes, and ensure a good start for all children.

CORPORATE SUPPORT

Provide professional support and partner divisions in MSF from human resource and finance, strategic policy-making and research, to corporate communications and international relations.

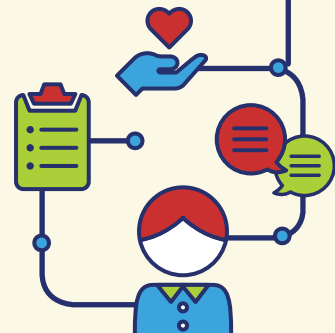

Chart Your Career Path @MSF

TYPES OF MSF CAREER PATHS

GENERALIST TRACK (TO GROW IN BREADTH)

You will be groomed for management positions in MSF, and enjoy postings within MSF and across public service to gain exposure.

SPECIALIST TRACK (TO GROW IN DEPTH)

You will be groomed for a career in MSF, and can expect postings to social service organisations and relevant agencies to gain exposure to ground issues.

Those with strong leadership potential can eventually assume key positions in MSF and the social service sector.

MSF Scholarships

You can pursue an exciting and meaningful career to make a positive difference in the lives of others. Shaping the development of Singapore's society, you can develop your talent to the fullest potential. Students who are interested in pursuing a Specialist role should major in Psychology and Social Work.

For **prospective undergraduate students**, MSF scholarships are open to those who have excellent academic results, good CCA records, strong leadership qualities and an interest in a career with MSF.

For **current undergraduate students**, mid-term scholarships are open to those who have completed at least one semester, and are not in their final year of undergraduate studies.
